Mr. Gathman...

a Friend to All

We, the staff of the 1970 Kanillio dedicate our yearbook to one of our most admired and respected teachers, Mr. Dennis Gathman.

From our association with him during the past two years, we have recognized his integrity and sincerity in guiding us. We have come to know that whenever we needed help while struggling through Biology I and II, Chemistry, and Physics, that he would be there with help and encouragement. His patient and able sponsorship of class meetings, the Homecoming Dance, and the Junior-Senior Prom is greatly appreciated by the Junior Class.

Mr. Gathman has actively participated in extracurricular activities. He has been one of our biggest supporters of the athletic program, backing the Bulldogs not only at basketball games, where he has been scorekeeper and fan bus sponsor, but in track and baseball as well.

We have learned great lessons from his "wizardly" teaching and have spent many memorable hours in lab, even though sometimes many of us hit a "snag."

In knowing him, we have come to recognize Mr. Gathman not only as an outstanding teacher, but as a man with an amiable and genial personality, who has unselfishly given his time, energy, and knowledge to the well being of the entire student body.

Truly, Mr. Gathman, you are a friend to us all.

Administration

Arthur Leeth, Superintendent

Good Leadership... an Essential

Not only is Mr. Leeth efficient as a superintendent, but also during his three years at KHS, he has contributed his time by occasionally filling in as a substitute teacher. His interest in the students is shown by his watchful eye and his persistent attendance at all school activities. For a responsibility so tremendous . . . a job well done.

Mr. Shoot, principal of KHS a short two years, has served his position well. His avid interest in the well-being of the student body is made evident by the fact that he is a friend to all. Often the man behind the scenes is not appreciated for he is given the responsibility of the enforcements of rules. However, this individual is often the backbone of the good educational system.

Behind the scenes...

Many people work very hard to help make Kansas High School run smoothly. Whether delivering students to and from school, preparing hot lunches, handling the business matters, or just keeping everything in good working order, these "little people", although often forgotten, play an essential part of KHS.

Activities

Candid Shots

Student Council . . . An Unheard Voice

The purpose of the student council is to develop self-control, self-reliance, and leadership in the students who participate in the activities of our school. It should also be the means by which an effort for better communication between students and faculty are developed.

As our student council has not been very active, it is desired that it does become so with the aid of its sponsor, Mr. Shoot, and that it does become the voice of the student body.

Character, scholarship, leadership, and service are the qualities a student must have to be a member of the Kansas High School National Honor Society.

The N.H.S. is made up of sophomores, juniors, and seniors chosen by the faculty. Induction ceremonies are held in the spring and the fall of each year. In the fall juniors and seniors only are inducted, and in the spring sophomores are elected as probationary members. In the following fall these newly inducted sophomores receive full membership.

The Honor Society sponsors many activities each year such as: a Carnival, an alumni basketball game and chili supper for the Myra Barker Scholarship Fund, and the student exchange days.

This year the members have added to their activities a tutoring plan. Other students who want help ask the N.H.S. members for tutoring during school free periods or after school. Also the N.H.S. is planning to have a College Day this year, in which a panel of college students are asked questions as to college itself.

Two worthy seniors of the N.H.S. are chosen by other members of the Society to take a Preliminary Scholastic Aptitude Test which offers them the chance for additional assistance for their college education.

It is a great privilege for a student to be in the N.H.S. and a great honor as well.

Gaining Experience For Tomorrow

The Future Teachers of America for the year 1969-70, consisted of eleven members. These students became enthusiastic at the beginning of the year and made plans with other schools to have exchange days. The club helped immensely with the Grade School Christmas program by making costumes, helping with the children, and taking care of stage props. This is one activity that the FTA really enjoys doing and looks forward to it each year. Other plans include the Teacher of the Year Award, given to the outstanding teacher who has been more than a teacher to the students and who is always willing to be of help to them. The FTA members also serve as teacher assistants at the grade school.

Parlez-vous Français?

Through the supervision of Miss Keiser, the French students learn more about French life.

Early in November, they entertained the Letterman's Club with a supper and skit at the annual French Banquet. Each year they sponsor a booth at the National Honor Society Carnival.

They build their vocabulary by conversations and grammar drills.

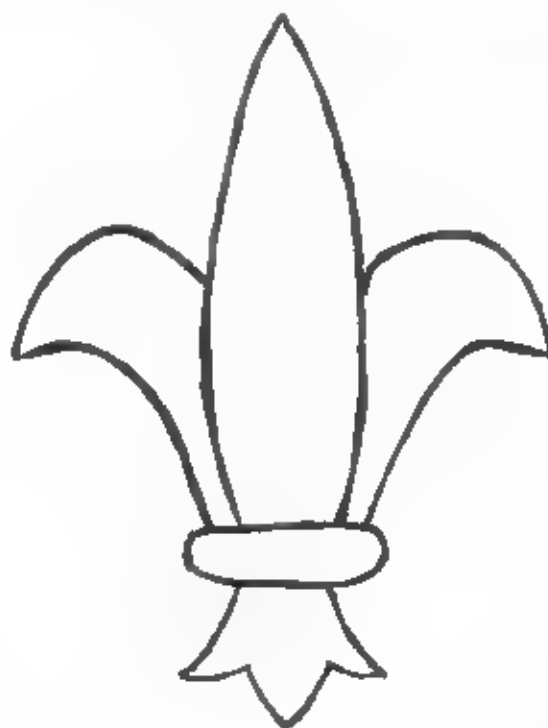

French is open to the whole high school and it is offered in two courses. On the whole, French is enjoyed by all who take it

The objective of FHA is to help individuals improve personal, family, and community living. Purposes include the promotion of growing appreciation of the joys and satisfactions of home-making, emphasis on the importance of worthy home membership, and encouragement of wholesome individual and group recreation.

Under the profound leadership, Chapter President Miriam Kirkham, members have planned various activities for the 1969-70 year including Daddy Date Night, taking the Mothers out to supper, a trip similar to the Chicago Trip they had last spring, and Family Night

ROW ONE: Brian Baily, Mr. Smith, Bob Tate, Tom Cosat, Danny Wright, Doug Honnold, Jim Tate, Keith Honnold ROW TWO: Dick Camp, John Fell, Bill Nichols, Leon Bussart, Alan Clay, Larry Kuykendall, Randy Coffey, Roger Camp, Reece Honnold ROW THREE: David Camp, John Cosat, Mike Helstey, Gary Goble, Albert Hawkins, Kenny Markwell, Leshe Conne, Roger Honnold ROW FOUR: Max Hawkins, Kirt Martin, Jerry Pinnell, Lowell Turner, Pat Camp, Dale Farr, Charles Blair

The Future Farmers of America is an organization devoted to leadership and development of the student.

The Kansas Chapter of the Future Farmers with thirty-one members this year, has a new advisor, Mr. Ron (Snuffy) Smith. Under his supervision, the club brought an exciting event to its community. The Texas Cowgirls, a complete girl basketball team came to Kansas and played a game against a local team. This game was enjoyed by young and old alike.

The F.F.A. participates in many activities. One

such activity was a corn yield contest which was won by Lowell Turner with a 198 4 bushels of corn an acre standing. Several other boys from the Kansas F.F.A. were in the top ten. The Kansas Chapter has also participated in a Land Use and Selection Contest and a Parliamentary Procedure Contest, they won both.

This year's Sweetheart of the Kansas Chapter is Joyce Hawkins. The F.F.A. has many plans for the future and we hope they are successful in everything they do.

Industrial Arts Club... Developing Skills for the Future

The Industrial Arts Club this year is a new organization. The club is under the supervision of Mr. Allen Price. Mr. Price has brought a new meaning to the club. The club makes projects and sells them. One of the first projects was a gun stock, the second and a little more difficult was a cedar chest. A committee of 8 to 10 boys were picked to do the job. The club besides building projects helps the boys learn as they work. It gives them a chance to do something for themselves.

Club '69-'70

Keeping the library in order for the entire school is a big job.

The twenty-seven members of this year's Librarian's Club have various jobs which help keep the library running smoothly. These include checking books in and out, repairing books, keeping magazines in order, assisting other students in finding books and providing a bulletin board display for each month.

This year, as a special money-making project, the Librarian's Club is selling paperback books. With this money, they hope to buy new books for the library.

The assistance and cooperation shown by the student librarians are greatly appreciated by sponsor, Mrs. Glenna White.

OFFICERS: Jane Conine, Secretary; Joyce Hawkins, Treasurer; Mary Saxton, Vice President; Dale Farr, President

Mrs. Glenna White, Sponsor

The Girl's Athletic Association of Kansas High School consists of thirty-six members. Under the direction of Mrs. Rebecca Andrews, the organization is one of the most active here at K.H.S.

G.A.A. participates in a number of activities that include bowling, archery, basketball, softball and other organized sports. For the past two years, the club has sold candy to raise money for the purpose of sending one delegate to Leadership Camp. During the basketball season, each of the seventeen new members wore a bulldog costume and was a mascot for the Varsity game. Being a part of this initiation, this was a new project this year and has been very successful.

The purpose of every G.A.A. is to develop its members' accuracy and form in play, knowledge of game rules, and to instill in them, the practice of good sportsmanship. We feel that the organization has been successful in all aspects.

The Kansas High School Band under the direction of Mrs. Karen Rezabek, is very active this year as they participated in the annual Eastern Homecoming in early November. The thirty piece band appears several times throughout the year, playing at all home basketball games, a Christmas Concert, a Spring Concert and Graduation in May. The band works hard practicing for solo and ensemble contest sponsored by the Illinois High School Association. Many band members received high awards at this contest. Many people were proud to see the Kansas Band out and marching again.

DIRECTOR, Mrs. Karen Rezabek

This year the 1969 Kansas Chorus was under the direction of Mrs. Karen Rezabek. The chorus consisted of 40 members. This was an all time high

The Chorus' activities ranged from Christmas and Spring Concerts to singing for Women's Club and participating in Illinois State High School Contests.

As every one knows, a chorus can not be without the able assistance of the piano and its players. Lois Turner and Melame Honnold, two talented young ladies, proved invaluable to the group

Homecoming 1969

Queen Camille Hammond

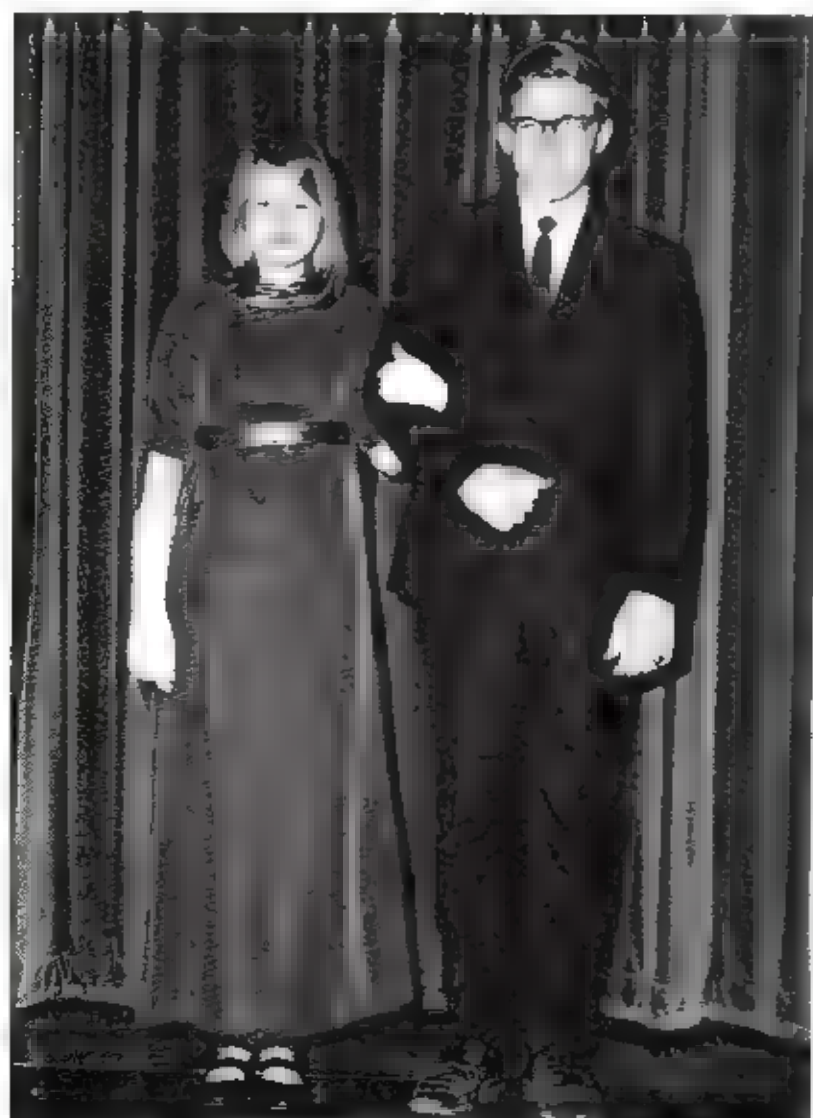

Luanne Sinclair, Alan Clay, Lois Turner, Dave Fell, Rosie Motley, Don Sinclair, Queen Camille Hammond, King Denny Huston, Sherry Bellinger, Jerry Pinnell, Libby Stiff, and Bob Washburn.

After many hours of hard work from the Junior Class, the 1969 Homecoming was a big success. Decorated in bright autumn color, the dance went under the theme "Fall Festival" Highlighting the evening was the coronation of Queen Camille Hammond and King Dennis Huston. The King and Queen are selected by the student body and is a complete secret up to the moment they are announced, which adds to the excitement of the evening

FRESHMAN ATTENDANTS. Luanne Sinclair, Alan Clay.

Sponsor, Mrs. Cox; who spent many evenings patiently giving everyone a helpful hand, and who aided us in presenting this 1970 Kanillio to you.

Junior Editor, David Fell, Treasurer, Lois Turner; Secretary, Joyce Hawkins; Editor, Jane Conine.

As the Kanillio staff of 1970 learned, it takes a great deal of time, effort, and patience to put a yearbook such as this one together. The year started out with the election of three officers: Junior Editor, Secretary, and Treasurer. Then all four officers and their sponsor, Mrs. Cox, attended a yearbook seminar at the University of Illinois sponsored by the Inter-Collegiate Press. It then fell into full swing with every member doing his best to sell many Ads and Boosters to raise money for this yearbook. Time flew as staff members spent many evenings redoing layouts, placing them on final mats, and writing copy. After all of this had been done, everything was turned in to Mrs. Cox who proofread every page and then mailed them to the publishers. As time ran out, it became a mad rush as there was much copy to be made and more money to be raised. Even though there were many disappointments, not one staff member would say that they didn't have fun.

The Kansas High School baseball record this year was 4 & 4. This record does not quite show how good the Bulldogs were . . . The Bulldogs played a team from Indiana twice, the results being 1 & 1. Of four conference games, Kansas won 3. The team boasted of three excellent pitchers, two of which will be gone next year. The three were Denny Huston, Jerry Pinnell, and Neil Bradford. Denny closed the season with a 4 & 4 record, while Jerry had a 2 & 1, and Neil a 0 & 1 record. Our best hitter of the season was pitcher Denny Huston. His average was .516. Don Humphrey, second in hitting for Kansas, had an average of .500. Out of the regular starters, Irv Bottom, Jerry Pinnell, John Cosat, Doug Honnold, Neil Bradford, Tom Cosat, Danny Wright, and Denny Huston, only Doug Honnold, Neil Bradford, and Tom Cosat will be returning next year.

1970 Varsity Basketball Team

Varsity Cheerleaders

The Varsity Cheerleaders have really worked hard this year. Martha Saxton, Lois Turner, Mandy Hutchinson, Rosie Motley, and Suzy Marrs have added a great deal of spirit and vivacity to the cheering section. Last summer, four of these hard-working girls attended Cheerleading Camp where they won one outstanding and two honorable mention ribbons. These five girls also worked at bake sales and work days in which they earned money to buy their uniforms. If anyone deserves credit for ambition, ingenuity, and down-right hard work, these devoted girls do.

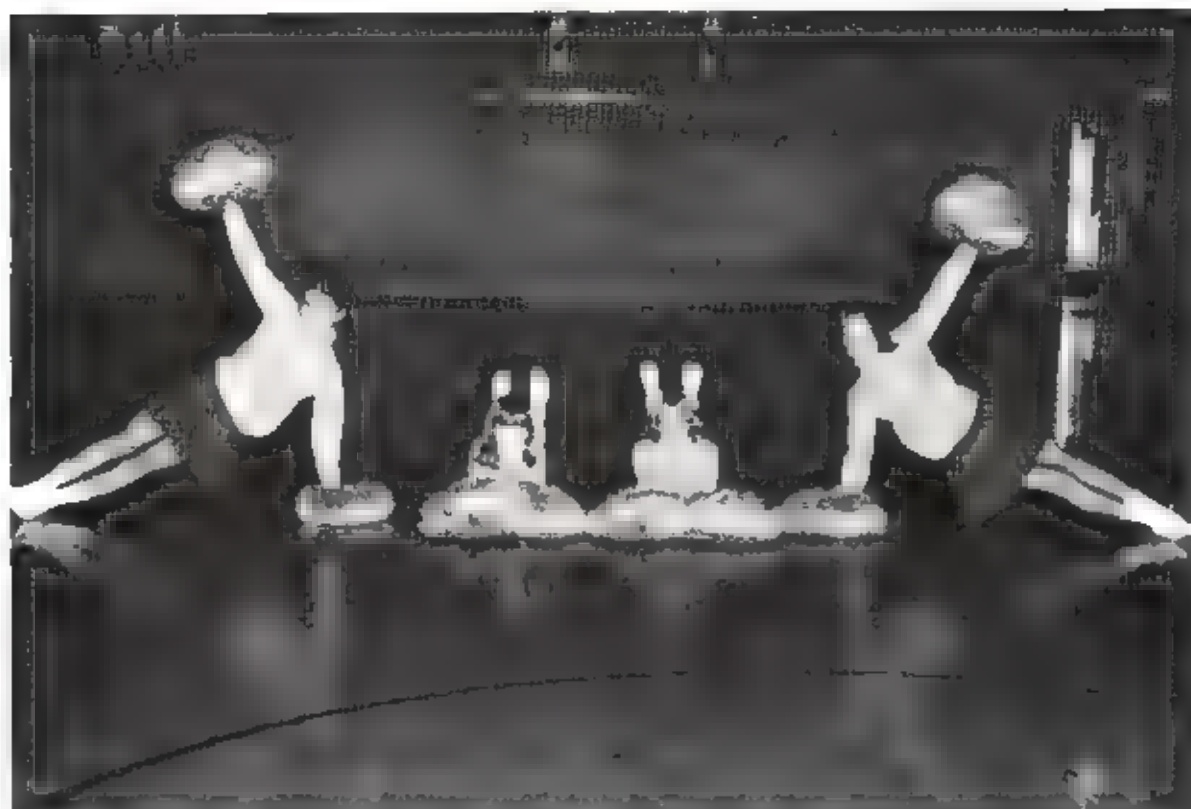

The Junior Varsity cheerleaders, consisting of Cathy Martin, Sue Hanner, Joyce Hawkins, Libby Stiff, and Julie Hawkins, have done a very good job this year in supporting the JV team and promoting spirit among the Kansas fans. Although many people don't consider the JV team as important as the Varsity, these five girls have stood behind the team all the way urging them on and encouraging the fans to back their team.

LIGHTWEIGHT TEAM: ROW ONE: Doug Rardin, Manager; John Nichols, Rick Bottom, Jim Saxton, John Hutchinson, Jerry Bussart, Mark Decker, and Roland Buttram. **ROW TWO:** Dale Sinclair, Billy Stiff, Ron Humphrey, Paul Bishop, Brad Moore, Mike Decker, and Mitch Camp

The Grade School Athletic Department, under the unique supervision of Coach Price, started off the year with a new insight after moving into the new part of the school. Proving this is their baseball record which was perfect throughout the District and Regional Conferences, up to the Sectional where they were finally defeated.

The size of this year's team is somewhat smaller, but size made no difference as their determination was great, again, possibly because of their improved schooling.

HEAVYWEIGHT CHEERLEADERS. Melinda Hawkins, Debbie Wright, Gale Cough, & Debbie Conine

Mitch Camp, John Hutchinson, Tommy Grissom, Jerry Bussart, Tom
ROW TWO John Nichols, Steve Hood, Bob Webb, Bill Miller, Mike
Heltsley

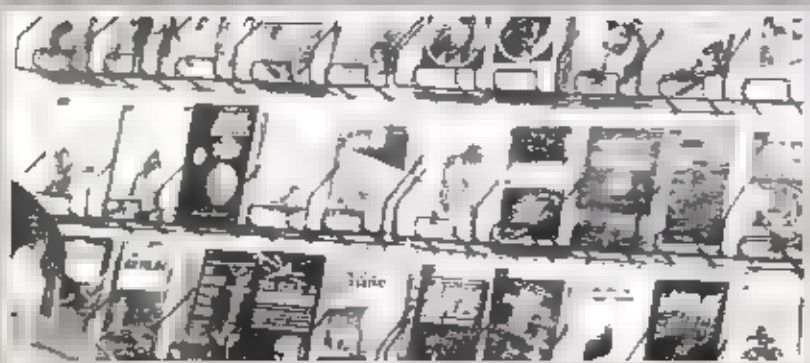

In basketball, the Bullpups have brought attention to our school, thus developing a new pride in our town. For instance, everybody was thrilled when our Jr. High Team defeated the Crestwood Eagles and also when Shuloh recognized our power

The cheerleaders this year have not only persisted in promoting school spirit, but have also brought about a change in cheering, which has been proven successful with the 6-1 record

When the class of '70 entered its senior year, members of the class began to think about what they would be doing in the future. The fact that this was their last year of high school caused quite a bit of excitement. Application for entrance into college and deciding upon the field he wished to enter kept the average senior busy.

In December they measured for caps and gowns and the excitement began to grow rapidly. Then, the big night came—graduation night.

As he receives his diploma he thinks, "Now is my time and I'm on my own. Lookout world, here I come."

Juniors...Discovering Upperclassman Responsibilities

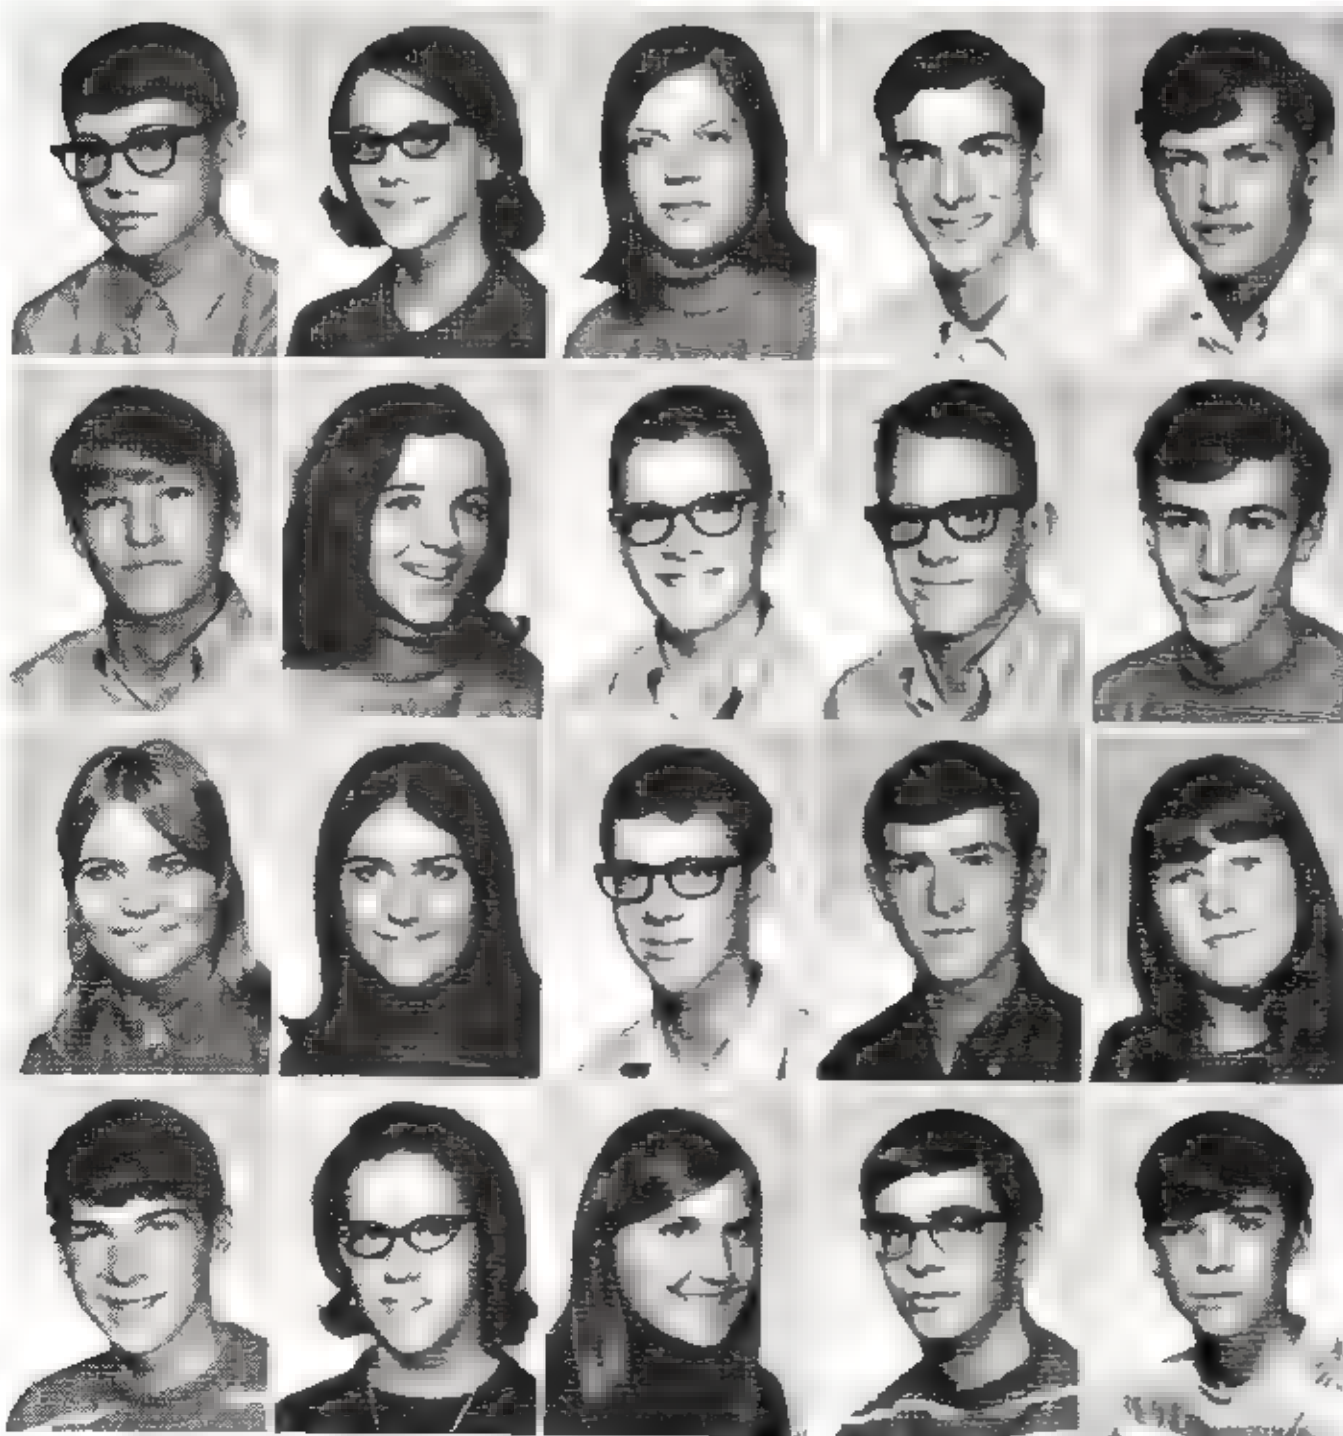

After a long summer's wait, the Class of '71 looked forward to receiving their class rings and becoming full-fledged Juniors.

Filled with excitement the Juniors, in full swing, continued the year's many activities by planning an annual Homecoming. Using the theme of "Fall Festival" the dance was a big success except for "one sharp point!"

With these two events behind them, the Prom preparations and their Senior year awaits them with new and different experiences.

One of the big highlights of the Sophomore year is Driver Education Class. This is a time that has been looked forward to for years. Mr. Smith should be commended for his leadership and bravery through the ordeal.

Sophomores Class of "72"

This year has been jam-packed with loads of exciting activities performed by the sophomore class. They started off on the right foot by engaging themselves in a "work-day" to "ring up the dollar signs." This money was put to good use a short time later when the class sponsored a welcoming party for the freshman class.

This was only the beginning of a fun-filled year, with a great deal more to come

In the trying times of today, too often we forget the the true patriotism that is present in the hearts of our servicemen.

We, the 1970 Kandaho Staff wish to dedicate this page in memory of one such serviceman, Lt. James L. Rhodes, who gave his life on October 10, 1969, while serving our country in Viet Nam.

Jim was well liked and personable and will be greatly missed by those who knew him as the young man who served his community as well as his country.

We could neither expect, nor ask for more.
